ITS WHAT WE DO BEST

Procurement Service

We leverage our long-standing experience and extensive operational knowledge to provide our Clients with complete procurement and supply services that will reduce their costs while ensuring smooth opening and operation of their hospitality venues with the right materials.

In order to bring our Clients a balance of quality, cost and dependability, we directly work with experienced and reputed manufacturers mainly from Europe, Turkey and Asia with the best warranties, terms and conditions. We have growing number of long standing agreements and close cooperation with numerous suppliers.

Recruitment Service

We pride ourselves in the selection of hand- picked, continuously trained staff to administer the recruitment process. Apart from guaranteed professional service our clients can be assured of the confidentiality with which our consultants handle all positions and applications, thereby protecting the rights and interests of both client and candidate.

We specialize in recruiting hotel executives, hotel staff, kitchen workers and all positions required within the hotel industry. We understand that exceptional and skilled talent is the key to running a successful business that relies on providing hospitality services to its guests.
